TC-001 – Successful Guest Checkout with Cash on Delivery

Type	Positive	Priority	High
Preconditions	The storefront is accessible. The customer is not logged in. The product 'Westin Test 12cm' is available.		
Steps	1. Open the Shopware storefront. 2. Navigate to Clothing. 3. Open 'Westin Test 12cm'. 4. Add the product to the cart. 5. Open the cart and proceed to checkout. 6. Enter valid guest customer and shipping information. 7. Continue to payment. 8. Select Cash on Delivery. 9. Accept Terms & Conditions. 10. Place the order.		
Expected Result	The order is submitted successfully and the order confirmation page is displayed with an order number.		
Status	PASS		

TC-002 – Missing First Name

Type	Negative	Priority	High
Preconditions	The customer is on the guest checkout page.		
Steps	1. Leave the First Name field empty. 2. Fill the other required customer/address fields with valid data. 3. Attempt to continue.		
Expected Result	The checkout must not continue. A validation message is displayed indicating that the first name is required.		
Status	PASS		

TC-003 – Checkout Without Accepting Terms

Type	Negative	Priority	High
Preconditions	The customer has completed the required checkout information and reached the final order section.		
Steps	1. Select Cash on Delivery. 2. Leave the Terms & Conditions checkbox unchecked. 3. Click the order submission button.		
Expected Result	The order must not be submitted. The Terms & Conditions field is highlighted/validated as required.		
Status	PASS		

TC-004 – Checkout with Empty Cart

Type	Negative	Priority	High
Preconditions	The shopping cart contains no products.		
Steps	1. Open the shopping cart. 2. Attempt to proceed to checkout.		
Expected Result	The cart displays an empty-cart message and the customer cannot place an order without products.		

Status	PASS
---------------	------

TC-005 – Add Product to Cart

Type	Positive	Priority	High
Preconditions	The 'Westin Test 12cm' product is available.		
Steps	1. Open the product. 2. Click 'In den Warenkorb' / Add to cart. 3. Open the cart.		
Expected Result	The selected product is added to the cart with quantity 1 and the expected price is displayed.		
Status	PASS		

TC-006 – Increase Product Quantity

Type	Positive	Priority	Medium
Preconditions	The cart contains 'Westin Test 12cm' with quantity 1.		
Steps	1. Open the cart. 2. Increase the product quantity to 2. 3. Observe the quantity and subtotal.		
Expected Result	The quantity changes to 2 and the subtotal updates correctly from €10 to €20.		
Status	PASS		

TC-007 – Special Characters in Customer Information

Type	Edge	Priority	Medium
Preconditions	The customer is on the guest checkout form.		
Steps	1. Enter 'Željko' as first name. 2. Enter 'Müller' as last name. 3. Enter 'Teststraße 10' as street. 4. Fill the remaining required fields with valid data. 5. Continue.		
Expected Result	The special characters are accepted and the address/customer information is saved without validation errors.		
Status	PASS		

TC-008 – Large Product Quantity

Type	Edge	Priority	Medium
Preconditions	The cart contains 'Westin Test 12cm'.		
Steps	1. Open the cart. 2. Increase the quantity to 10. 3. Observe the quantity and subtotal.		
Expected Result	The cart accepts the quantity of 10 and calculates the subtotal correctly as €100.		

Status	PASS
---------------	------

TC-009 – Product Details Display

Type	Positive	Priority	Medium
Preconditions	The 'Westin Test 12cm' product is available.		
Steps	1. Open the product details page. 2. Review the product name, price, variant information and purchase controls.		
Expected Result	The product details are displayed correctly and the product can be added to the cart.		
Status	PASS		

TC-010 – Change Product Variant

Type	Positive	Priority	Medium
Preconditions	The product has selectable variants.		
Steps	1. Open 'Westin Test 12cm'. 2. Change the available size/variant to another option such as L. 3. Observe the product information.		
Expected Result	The selected variant is applied, the product number updates accordingly, and the expected price remains €10.		
Status	PASS
